

CITIZENS FOR A BETTER EASTERN SHORE

2019 Donors

(Gifts received during the 2019 calendar year)

Feeling gratitude and not expressing it is like wrapping a present and not giving it.
William Arthur Ward

During our 32nd year, Citizens for a Better Eastern Shore was once again honored by a membership that invests in our efforts to INFORM – ENGAGE – EMPOWER our community. Some of you just joined the CBES team, others have been steadfast supporters for many a year. We count you all as friends as we work together to help protect this amazing place we call home.

CBES does its best to acknowledge donors and donations accurately, but errors can occur. We apologize in advance and ask that you please notify us with corrections: info@cbes.org or 757-678-7157. Please note: If part of your donation was applied to a CBES membership, IRS rules prevent inclusion of that amount in your tax-deductible donation total.
